

CONTENTS

UNIT 1

1. Freshman Maritime Student	7
2. Maritime Alphabet	8
3. Description of a Ship	9
4. Ship Parts	10
5. Hull Lines and Tonnage Terms	12
6. Ship Crew	13
7. Ship Familiarization Chart	15
8. Types of Ships	16
9. Revision of Tenses.....	22
10. Properties of Materials	23
11. Metals and Alloys	25
12. Tests on Materials.....	27
13. Metal Working Processes.....	30
14. Verbs Used In Engineering	37
15. Stop and Check I	38
Glossary I.....	40

UNIT 2

1. Tools.....	41
2. Imperative Form: Do it! Let's do it!	48
3. Units.....	49
4. Types of Diesel Engines.....	50
5. Two-Stroke and Four-Stroke Cycle	52
6. Basic Engine Parts.....	54
6.1. Pistons and Piston Rings.....	59
6.2. Crankshaft vs Camshaft	60
6.3. Engine Parts – Revision Exercises.....	61
7. Engine Parameters	65
8. Passive Voice	70
9. Operating Instruction and Ship Reports – Excerpts	72
10. Stop and Check II.....	74
Glossary II.....	76

UNIT 3

1. Bearings.....	77
2. Pipes and Fittings.....	80
3. Adjectives ending in: -ing and -ed	87
4. Valves.....	88
5. Past Simple vs Past Continuous	95
6. Pumps – Classification, Application and Operation	96
7. Passive Voice	102
8. Biological Sewage Treatment Plant.....	104
9. Conditional I	110
10. Stop and Check III.....	111
Glossary III.....	112

UNIT 4

1. Marine Fuel Types and Their Properties	113
1.1. Fuel Quality Report	116
2. Simple Past vs Present Perfect vs Present Continuous.....	117
3. Fuel System	118
3.1. Bunkering Checklist.....	120
3.2. SMCP Engine Room Commands in Bunkering.....	123
4. Fuel Oil Treatment Plant	124
4.1. Dismantling Instruction – Excerpt	129
5. Marine Incinerator	130
6. Conditional Sentences	133
7. Safe Working Practices. Safety in the Engine Room	135
8. Opinion Phrases	138
9. Standard Marine Communication Phrases	139
10. Reported Speech – Orders	141
11. International Safety Management.....	142
12. Competence Test Tasks – Examples.....	144
13. Stop and Check IV	145
Glossary IV	146

UNIT 5

1. Onboard Apprenticeship.....	147
2. Fresh Water Generator	151
3. Boilers.....	156
3.1. Auxiliary Steam Boiler Installation	157
3.2. Boiler Operation and Maintenance	160
4. Professional Passive.....	162
5. Oily Water Separator.....	163
5.1. OWS Operating Requirements	166
6. Modal Verbs.....	170
7. Electrical Matters.....	172
7.1. 'Beware Loose Electrical Connections' – MAIB Report.....	173
7.2. Electrical Wires and Fittings	175
8. Past Simple vs Past Perfect Simple	176
9. Reporting Incidents and Malfunctions	177
10. SMCP – Vocabulary Exercises.....	179
11. Reported Speech – Statements	180
12. Stop and Check V	181
Glossary V	182

UNIT 6

1. Steering Process.....	183
1.1. Steering Gear.....	184
2. Controllable Pitch Propeller.....	189
2.1. 'Uncontrollable Pitch Propeller' – MAIB Report.....	192
3. Cover Letter and CV	194
4. Short Grammar Revision.....	196
5. Job Interview.....	198
5.1. Interview Questions.....	201
6. Work Permits For Special Conditions	203
7. Maintenance and Troubleshooting	205
7.1. Fault Chart	210
8. Modals Expressing Possibility in the Past	212
9. Thesis Abstract Vocabulary.....	213
10. Final Stop and Check.....	214
Glossary VI	222
